- Thriambak Giriprakash

Report Period: Oct 23-Nov 5

Summary of Progress in this Period

We met with Professor Khokhar and he is figuring out the best way to give us access to the data, and said we should get access soon. We have chosen an AI model from Keras

Pending Issues

No known issues

Plans for Upcoming Reporting Period

Once we get the data we will be running spectrum analysis on it to find the peaks in the spectrum. We will also start setting up to start training the AI model we chose on the data.
